Battery Installation

For longer life, use **alkaline** batteries.

- Loosen the screw in the battery compartment door and remove the door.
- Insert two AA (LR6) **alkaline** batteries.
- Replace the battery compartment door and tighten the screw.
- If the toy begins to operate erratically you may need to reset the electronics. Slide the power/volume switch off and then back on.
- When sounds/lights from this toy become faint or stop, it's time for an adult to change the batteries.

 Protect the environment by not disposing of this product or any batteries with household waste. This symbol indicates that this product shall not be treated as household waste. Check your local authority for recycling advice and facilities.

Assembled Parts

Front Frame

2 Front Axles

4 Caps

Handle

4 Wheels

Back Frame

M4,5 x 19 mm Screw – 12

Shown Actual Size

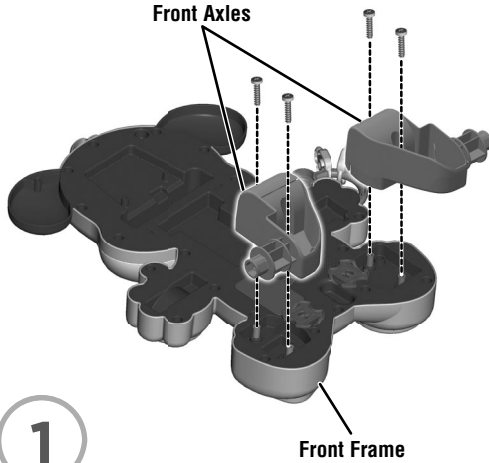

Tighten or loosen all screws with a Phillips screwdriver. Do not over-tighten.

Assembly

CAUTION

This package contains small parts. For adult assembly only.

- Fit the front axles onto the front frame.
Hint: The front axles are designed to fit the front frame one way. If one does not seem to fit, try assembling to the other side of the front frame.
- Insert two screws into each front axle and tighten.

- First, fit a wheel onto each front axle. Then, fit a cap onto each wheel.
- Insert a screw into each cap and tighten.

- Insert and “snap” the handle into the slot in the back frame.
Hint: The handle is designed to fit one way. If it does not seem to fit, turn it around and try again.

Assembly

4

- Fit the remaining wheels and caps onto the rear frame.
- Insert a screw into each cap and tighten.

6

- Insert four screws into the handle and tighten.

5

- Fit the back frame assembly to the front frame assembly.

Music, Lights and Hands-on Fun in Every Step!

Press for lights and sounds

Flip for songs and phrases

Roll

Slide

Spin

Press for lights, sounds, songs and phrases!

- Slide the power/volume switch on the back of the toy to ON with low volume, ON with high volume or OFF.
- Hear encouraging songs and phrases when baby walks and pushes the walker!

Battery Safety Information

In exceptional circumstances, batteries may leak fluids that can cause a chemical burn injury or ruin your product. To avoid battery leakage:

- Do not mix old and new batteries or batteries of different types: alkaline, standard (carbon-zinc) or rechargeable.
- Insert batteries as indicated inside the battery compartment.
- Remove batteries during long periods of non-use. Always remove exhausted batteries from the product. Dispose of batteries safely. Do not dispose of this product in a fire. The batteries inside may explode or leak.
- Never short-circuit the battery terminals.
- Use only batteries of the same or equivalent type, as recommended.
- Do not charge non-rechargeable batteries.
- Remove rechargeable batteries from the product before charging.
- If removable, rechargeable batteries are used, they are only to be charged under adult supervision.

FCC STATEMENT (UNITED STATES ONLY)

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Consult the dealer or an experienced radio/TV technician for help.

NOTE: Changes or modifications not expressly approved by the manufacturer responsible for compliance could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

CAN ICES-3 (B)/NMB-3 (B)

Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

L'utilisation de ce dispositif est autorisée seulement aux conditions suivantes : (1) il ne doit pas produire de brouillage et (2) il doit pouvoir tolérer tout brouillage radioélectrique reçu, même si ce brouillage est susceptible de compromettre son fonctionnement.
