## BEFORE YOU BEGIN

An adult must install fresh alkaline batteries prior to playing. Here's how:

1. Using a Phillips screwdriver (not included) remove the screw and battery compartment cover from the bottom of the base.
2. Install three (3) 1.5V AA alkaline batteries (not included) making sure the (+) and (-) ends face the proper direction as indicated inside the battery compartment.
3. Replace the compartment cover and tighten the screw.

## QUICK START

1. Snap all five stepping music pads (D) onto the base (E), matching the pad colors to the lights on the base.  
NOTE: Once pads are snapped in, they cannot be removed.

2. Snap the starfish (A) into the opening on the base, aligning the post with the slot as shown. Push the starfish into the base completely until the tabs snap into place.  
NOTE: Once starfish is snapped in, it cannot be removed.

3. Connect the slide bottom (C1) to the base of the unit as shown.

4. Connect the slide middle (C2) to the slide top (C3) until they snap together.

5. Wrap the slide middle (C2) and the slide top (C3) around the starfish and connect the slide middle (C2) to the bottom of the slide (C1) until they snap together.

6. Snap the slide onto the starfish in two places as shown.

## QUICK START CONTINUED

7. Snap the top (B) onto the starfish.

8. Move the switch to low volume or high volume to turn the unit on.

Always turn the switch to the "OFF" position after playing to conserve battery life.

9. Select the musical note mode (MODE 1) or the song mode (MODE 2).

**MODE 1** plays musical notes.

**MODE 2** features the songs:

- "Row, Row, Row Your Boat"
- "Twinkle, Twinkle, Little Star"
- "Ring Around The Rosie"
- "Sailing, Sailing" (modified)

10. Hold onto the top. Step on the music pads to make music and activate lights! Lights flash every five seconds when the unit is on but music pads are not in use.

11. Drop a ball into the top and watch it swirl down the slide. Fun sounds play when the ball falls into the basin at the bottom of the slide!

## IMPORTANT INFORMATION

- Only use the balls included with this product and other Little Tikes® Lil' Ocean Explorers™ products.
- DO NOT expose the unit to moisture of any kind. This item is not intended for use in water.
